*** Contains CBI – not for distribution outside of EPA/DOE under our CBI MOU ***

Hi John,

Attached are the materials that [Ex. 4 CBI] shared with us regarding [Ex. 4 CBI]. If I am reading this correctly, all of the contracts in this presentation are [Ex. 4 CBI]. Also, see the note on page 8 that says – [Ex. 4 CBI]. I am pretty sure that [Ex. 4 CBI] is referring to themselves as the obligated party that is “obtaining” the RIN via blending and is noting that they have to turn that RIN over for compliance while unobligated blenders can simply sell the RIN.

I will send you a meeting notice so we can try to find time to continue our conversation on Monday. If you are bored and have time this weekend, I can make myself available on Saturday or Sunday for a call as well. Just let me know.

Thanks,

Byron
